

SNF Activities Workshop

Creatively Enriching Lives Through Enhanced Programming

April 22, 2020

9:00 am - 4:00 pm

Join LeadingAge Ohio as we discuss practical ways to connect with residents at various ability levels living with dementia. Ideas for realistic ways to offer parallel programs and engage staff through interactive discussion, sensitivity exercises and media clips will be presented as we explore a new way of looking at life enrichment for memory care. Participants will also learn about Mindful Art, a therapeutic program designed specifically to provide participants with the health benefits of mindfulness practice while stimulating creativity. Regulatory updates and best practices will also be discussed.
