"Bobby's Books" is a collection of children's literature that provides families with information and a choice of books to use with children as they discuss grief, change, and loss. This project has received funding from the Barbara Bush Foundation for Family Literacy, the New York Life Foundation, Literacy Volunteers of America, the Kroger Company, and from community donations. These grants and contributions from the central Ohio community have established over 60 Bobby's Books sites. For more information, bibliographies, and/or training, please contact:
