ODH’s July 28 Call Recording:
[https://attendee.gotowebinar.com/recording/2716626459471765776](https://attendee.gotowebinar.com/recording/2716626459471765776)

- Scheduling, Planning & Training
- Specimen Collection
- Results
What We Don’t Know

- Who will pay for the state’s staff testing requirement?
- How do the 23 Infectious Disease Modules tie to reimbursement?
- How can a LeadingAge Ohio member access POC testing devices in advance of HHS’ distribution?
- How will testing delays in Ohio impact turnaround time for ongoing staff testing? And testing availability for individual tests?
- Will data collection have to be recompleted for each staff testing?
- What are the “additional survey questions” as referenced in the webinar?
- What is the informational webinar that facilities will be given when contacted by their CCURT team lead?
- With the use of POC devices what will the true impact of staff time and cost be to the facilities?

What We DO Know

A testing deep-dive

Robin L. P. Jump, MD, PhD, FSHEA

Associate Director of Informatics and Analytics
Geriatric Research, Education and Clinical Center
VA Northeast Ohio Healthcare System
Associate Professor of Medicine,
Division of Infectious Diseases and HIV Medicine,
Case Western Reserve University
