HUD and Federal Updates - Juliana Bilowich, Director, Housing Operations and Policy – LeadingAge National

- **HUD Updates**
  - Revising House Rules
    - Sample Amendment: [https://leadingage.org/file/member-draft-sampleamendment-house-rulesdocx](https://leadingage.org/file/member-draft-sampleamendment-house-rulesdocx)
  - Winter is Coming
    - What is the next response to COVID-19?
    - What do you associate with the fall? How will these things be impacted this year?
  - Physical Inspections
    - Restarting October 5th. This will exclude senior living communities and communities at high risk.
    - Heat Map: 4 colors which shows the risk level across the country. Example: Green = Low Risk. This is based on county level data. This map will be what HUD will use to prioritize inspections.
    - Discussions are in place about modifying the approach of the inspections and what will be required.
    - The goal is safe properties, but also safe inspections.
    - Inspections with have a high value on quality of life and less on appearance of the property.
    - Inspired Demonstration Program: Conversation and Advisory Only

**Dementia Inclusive Cincinnati Part 1**

- Laura Lamb: President and CEO - Episcopal Retirement Services
  - My Guy Bill
    - Realized that there were 17 decision points from his home to the dining room. We had to make a change.
  - Memory Support Journey
    - “We got our house in order.” We partnered with exceptional organizations and brought in speakers and professionals in the field. Created a Dementia Guide.
    - “You have to know better to do better.” – Megan Bradford
  - 5.7 people with dementia and rising by 500,000 each year
  - 16-million-dollar challenge by 2050
  - We can’t do this alone. We must partner with others. “If I’m having trouble someone else must be having trouble.”
Ask what if...? What are your dreams for a better life for those who have dementia and for those who are caring for someone with dementia?
