

Excellence in Caring

The Excellence in Caring Award is awarded to an outstanding direct or indirect care professional within a LeadingAge Ohio member organization who exemplifies quality and care in the field of aging services.

Individuals nominated for this award must:

- Demonstrate compassion and commitment to the individuals served to improve quality of life
- Engage with employees as a mentor or role model inspiring others to go beyond great care
- Possess leadership skills with the ability to communicate effectively with groups and individuals
- Consistently represent the organization's mission, vision and values

Application Question for Excellence in Caring

Using the criteria of the award listed above, what do you most want the judges to know about this nominee that compelled you to make this nomination?
