

OHIO IS ON THE ROAD BACK

AND OUR LONG-TERM CARE
PROVIDERS ARE LEADING THE WAY

Save lives. Build your immunity.

Get vaccinated.

Long-term care providers are invited to join us for a live discussion about COVID-19 vaccines with state and community vaccine experts. This is your chance to ask questions about vaccinations and offer input to help state leaders making decisions and guiding Ohio out of the pandemic.

Nursing facility staff are on the front lines and risk being exposed to COVID-19 each day.

Early vaccination can protect you from getting sick, but also help protect your family members and those who you care for at work.

Please choose one of the following sessions that best accommodates your schedule. Attendees will have access to a toolkit of helpful tips at the conclusion.

	Tuesday, Jan. 5	Wednesday, Jan. 6	Thursday, Jan. 7
