

HOME Choice Fact Sheet

HOME Choice is a transition program that assists individuals age 18 and older to move from a long-term care facility (e.g. nursing facility, hospital, or ICF-IID) into a home and community-based setting.

The program provides transition services and supports to individuals whether or not they enroll on a Medicaid waiver.

What are the program requirements?

To be eligible for HOME Choice an individual must:

- Be enrolled in Medicaid
- Have resided in a long term care facility for at least 90 consecutive days
- Be 18 years of age or older
- Have income to sustain community living
- Participate in a needs assessment and have a need for the program
- Have care needs that can be adequately met in a community setting

How do I learn more and apply?

Individuals and family members/guardian will work with the long-term care facility and HOME Choice transition staff to apply, discuss options and coordinate services and supports.

The application is available online at medicaid.ohio.gov/HomeChoice.
