11:00 AM - 12:00 PM

Presenter:
Terry L. Pope, MSN, RN
Chief Executive Officer
Nursing Institute for Continuing Education
(NICE)

Who will benefit from this webinar:
All Nurses

This continuing nursing education activity is designed to provide an overview of Ohio's ORC/OAC Chapter 4723 nursing rules and laws related to scope of practice and professional boundaries. An interactive discussion on the ethical application of a practitioner's professional boundaries will be included, a topic of particular interest given the recent pandemic and the evolution of social media into both the consumer's and the healthcare professional's everyday worlds (and workplaces). This session will also include a review of several lesser-known Ohio Administrative Code rules for nurses in the state of Ohio that influence everyday practice.
