

2023 QIP Collaborative: **More Measures, More Money**

Webinar collaborative on the 3rd Thursday of each month
(except December)

July 2023 through December 2023

1:00 PM - 2:00 PM

Ohio Medicaid's Quality Incentive Payment (QIP) will add measures in each SFY 2024 and SFY 2025, and the portion of reimbursement that will be attached to quality will grow substantially.

In this series, nursing home providers will learn how the QIP is calculated for Ohio Medicaid reimbursement and how to manage and improve the quality measures to boost their reimbursement. This series will get the financial and clinical managers rowing in the same direction towards better quality and better reimbursement. Each month will cover financial projections and provide tools and education to improve processes and outcomes that will impact the quality measures. Interactive discussions will be included to assist members with best practices and useful tips, tactics and resources.
