ADVANCING SOLUTIONS FOR EXCEPTIONAL CARE AND SUCCESSFUL LIVING

LeadingAge Ohio is a nonprofit trade association that represents approximately 400 long-term care organizations and hospices, as well as those providing ancillary health care and housing services, in more than 150 Ohio towns and cities. The continuum of care reflected by the member organizations serve an estimated 400,000 Ohioans annually and employ more than 35,000 persons statewide.

Senior services providers include senior housing, both subsidized and market rate, adult day care, home health, hospice, assisted living and skilled nursing. LeadingAge Ohio members are mission-driven, values-based organizations that provide many or all of these services.

LeadingAge Ohio is a member-driven organization, with leadership elected by peers from around the state. The leadership includes an elected Board of Directors. Strategic committees -- comprised of executives from provider members, partners and associate firm members from around the state -- help to develop and oversee governing policies and programs.

We will continue to explore new gaming opportunities to expand the selection of games where multiple people can compete at the same time.

As always, there will be plenty of beverages and delicious food available throughout the event. Cabaret tables will be placed throughout for eating areas, and we will have music throughout the evening.

POLITICAL ACTION COMMITTEE (PAC) SPONSORSHIPS

The LeadingAge Ohio Political Action Committee (PAC) supports lawmakers who have demonstrated commitment to and understanding of issues important to older Ohioans, caregivers, and the communities that serve them. The LeadingAge Ohio PAC offers fundraisers throughout the year which offer unique sponsorship opportunities for provider members and associate firms alike. From virtual events, to the fall golf outing (two years running with beautiful weather), to receptions, conferences, and more, PAC fundraising is a great way to stay involved with the association and its members and support LeadingAge Ohio advocacy efforts.

PAC fundraising is different than traditional LeadingAge Ohio sponsorships. PACs are prohibited by state law from accepting contributions from corporations. As a result, all contributions must come from individuals, partnerships, or LLCs; not corporations. To learn more about the PAC, visit leadingageohio.org/PAC, and watch your inbox for invitations and sponsorship information for our many PAC events throughout the year.

For questions on the LeadingAge Ohio PAC and sponsorship opportunities, please reach out to Director of Strategic Communications Patrick Schwartz at pschwartz@leadingageohio.org.
