The Yellow Brick Road: Human Threat Assessment and Workplace Violence Prevention Model for Compliance and Success

Rich Cinfio, Consultant, Premier Risk Solutions

Health and non-healthcare professionals recognize the importance of personal and workplace safety. This 3-layered presentation will provide attendees valuable cornerstones for improving their safety through enhanced knowledge and skills. Understand the benchmarks for a high-performing workplace violence prevention program and gain a full understanding of the importance of a strong human behavioral threat assessment program. Learn about safety and security in the long-term care settings, including hospice inpatient units and know what to do if there is an active shooter. Prevention and early intervention are the keys to safety. Learn how to keep yourself, your family, and your workplace safe.
