

leadership academy

Building the Next Generation of Leaders in Aging Services.

THE ACADEMY EXPERIENCE...

Since 2013, Leadership Academy has graduated over 150 leaders. The program is open to employees of LeadingAge Ohio provider and associate member organizations, regardless of job title or background. Selection is based on leadership potential, commitment to aging services, and dedication to lifelong learning. Graduates leave equipped not only to advance their own careers, but also to drive meaningful change within their organizations and communities.

The class includes...

- Four immersive, two-day retreats at innovative Ohio member communities
- Opportunities to learn from real-world leadership models
- Coaching and mentorship for personal and professional growth
- Leaders in Residence sessions featuring seasoned professionals
- An action learning project that applies leadership skills to organizational challenges
- More than 50 continuing education available, upon approval

More details...

- Seven months from **February until August 2026**
- **Deadline to apply is November 17, 2025**
